

MAY SPEAKER EVENT

*The Association of Administrative Professionals,
Toronto Charter Branch proudly presents:*

AGILE 101: What is it?

Agile is based on iterative development, where requirements and solutions evolve through collaboration. Agile encourages frequent inspection and adaptation, a leadership philosophy that encourages teamwork, self-organization, and accountability.

WEDNESDAY, MAY 23

Join the accredited Shirley Kelly, MSc. PMP CRISC CISA SMC AEC as she delves into the new world of Agile Project Management, and what it means to you.

ABOUT THE SPEAKER

Shirley Kelly MSc. PMP CRISC CISA SMC AEC

Shirley has over 25 years of experience in the Telecom and IT industry. She has worked on large projects in Canada, U.S. and international work experience in Brazil and Uruguay creating and running project offices.

Shirley developed and delivered training for internal corporate initiatives. She is a subject matter expert on Project Management training.

In addition, Shirley was an instructor at Ryerson University for the Project Management Certificate program for five years. She has delivered workshops for PMI-Toronto on various topics. She has been a guest speaker at numerous conferences in Canada and U.S., and for the last three+ years, she has been an internal audit manager on project and program related audits.
