

Event Summary: Spa Night, December 4, 2018

With the Christmas season upon us, some of our members took time for themselves to attend Barrie-Simcoe County Branch's 5th Annual Holiday Spa Night. This was an opportunity for the students from Georgian College's Spa and Esthetics Clinic to showcase their skills and learning, and allow us the opportunity for a relaxing pedicure and/or manicure – just in time for the Holiday Season! Following our pampering, we gathered for some hor's d'oeuvres and great networking. Thank you to everyone who came out. We hope you had a great time and will come out for our upcoming events.
