**New Glasgow Lobster Supper - Evening**

Come and enjoy lobster the Island way on June 2, 2022, at the New Glasgow Lobster Supper.

It's not just dinner, it's a unique Island attraction one should experience!

New Glasgow Lobster Suppers specializes in serving fresh Atlantic lobster from their on-site salt water pond, capable of holding over 20,000 pounds of live lobster. Their famous home cooking, baked fresh daily, has contributed to much of their success.

The meal is casual dinner with a choice of 1lb lobster, baked ham, 8oz strip loin steak, chicken supreme, salmon, or vegetarian option. In addition to these main entrees, the meal will consist of mussels, seafood chowder, soup of the day, salad plate (homemade potato salad, coleslaw, tossed salad with balsamic vinaigrette), desserts, tea, coffee, soda, and juice.

Transportation is provided by Coach Atlantic Transportation Group.

**Hop Sip Swirl East-Ender Tour**  
**From 10:30am to 16:00pm**

This “Down East” journey begins by driving along the Points East Coastal Drive to the banks of Little Sands for a tour and tasting at Rossignol Estate Winery.

Heading back into Montague the Beautiful, guests will head down toward the water where Bogside Brewing is located. A fairly new brewery to join the craft beer revolution on PEI serves up some tasty craft beer and hard cider. Lunch will be served here.

Lastly, guests will make their way up to Myriad View Artisan Distiller, Canada’s first legal moonshine producers and other spirits such as Strait Gin, Vodka, and Rum from their hand-crafted copper batch still. Tour the distillery and pay homage to prohibition and illegal moonshine all while taking in the spectacular view of Rollo Bay.

Included in this private, fully guided tour is:

- All transportation to and from Rodd Crowbush
- Lunch at Bogside Brewing
- Premium Reserve Tap House
- 2 full hours with a behind the scenes look at a local winery and distilleries
- Special take home keepsake.

Only 14 tickets available for this tour!

**Lighthouses, Winery & Brewery Tour**

Point Prim Lighthouse was the first lighthouse built on the Island. Constructed in 1845, it is also the only brick lighthouse. The Wood Islands lighthouse started guiding ships in 1876, making it the second oldest lighthouse with an attached dwelling for the keeper and his family.

PEI is gradually becoming known for its wine production, and you'll stop at Rossignol Winery, the Island's oldest vineyard for a tour and sampling of their award-winning product. Lunch will be at Bogside Brewery & Restaurant in Montague, the Island's newest craft brewery and recently named Atlantic Canada's Best Brewery.

*Itinerary:*

- 09:00 – 10:00 Drive to Point Prim Lighthouse
- 10:00 – 10:30 Tour Point Prim Lighthouse
- 10:30 – 11:00 Drive to Wood Islands Lighthouse

### Taste The Town: Food & Fact Tour

This 3-hour roving lunch tour provides some of the Island’s tastiest foods and beverages and a bit of the city’s history as well. There will be stops at various restaurants and the island’s oldest brewpub to taste steamed mussels, craft beer, island fries, lobster rolls and a surprise treat!

Following the tour, there will be an hour of free time to wander the downtown and visit some of the unique shops.

Note: The tour includes seafood and other items that might trigger allergies. Participants with food allergies should inquire about ingredients while on the tour and use their own discretion.

Some locations require climbing 10-20 stairs and two miles of walking. While the tour lasts 3 hours, the most walking done at any given stretch is 10 minutes.

Itinerary:

- 09:45 – 10:30 Drive to Charlottetown
- 10:30 – 13:30 Taste the Town Tour
- 13:30 – 14:30 Free Time
- 14:30 – 15:15 Drive back to Rodd Crowbush

Includes transportation and lunch.
